Sir,

Subject - Construction of 6 model house of "A" type and 3
model houses of "B" type in Destageri, K R Mohalla

The question of providing housing facilities to the employees of the Municipality, ^{and} poorer section of the people has been under the consideration of the Council for a number of years. Some houses have been put up in the year 1936-37 and let out at a cheap rent, to the employees of the Municipality among others with a view to providing some more at a congested bit of area in Destageri, K R Mohalla, was acquired a few years back, and four houses were built during the last two years and let out to Officials on rent basis.

A proposal to pursue the same and put up ^{Six} ~~two~~ model house of "A" type and 3 house of the "B" type as per design enclosed was therefore placed before the Council at the meeting held on 27-7-1955. This was duly approved. As the amount of the estimate was Rs 36,500/- the estimate has been got scrutinized by the Chief Engineer for Rs 36,100/-

I enclose a copy of the above resolution and also the estimate and please request that orders of government may be kindly obtained and communicated.

The cost in this behalf will be met out of the provision under D1 Original building during the year 1956-57 as resolved by the council at their meeting held on 30-12-1955 (copy enclosed)

Yours faithfully,

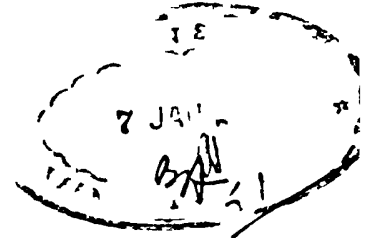

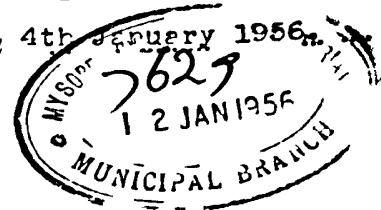

Amruth
